## Discover McNabs & Lawlor Islands Provincial Park

McNabs and Lawlor Islands are protected as a provincial park. McNabs Island includes Fort McNab National Historic Site.

**The Friends of McNabs Island Society** is a registered charity established in 1990 to preserve, protect and promote these Halifax Harbour islands as parkland.

We help manage the park by maintaining trails, installing park benches and toilets, organizing beach cleanups, guided tours and events, and providing information to island visitors. We also manage the **Teahouse** Outdoor Education Centre. You can help by joining us!

Your membership includes our ***Rucksack*** newsletter and discounted boat trips to our island events. Join us and meet others who share your enthusiasm for McNabs Island.
